March 24, 2020

### CORONAVIRUS UPDATE

In response to the coronavirus pandemic and the Executive Order from Governor Whitmer the Greenville Housing Commission offices are closed until April 13, 2020, at the earliest. This date will be updated as soon as we are advised of any changes.

It is of the utmost importance during this pandemic to keep our residents and staff healthy and safe. Our office staff is currently working remotely and can assist you via phone or email. All calls are being forwarded and we will respond as quickly as possible.

Our maintenance staff will be performing EMERGENCY work orders only and will be in and out of the buildings to monitor equipment, clean and sterilize, and take care of the trash. If a maintenance worker must visit, please let them know ahead of time if you or anyone in your household is sick, and while they are there keep at least a 6-foot distance from the maintenance workers.

We ask for everyone's assistance during this time by following the guidelines set forth by the Governor and the CDC. We are also requesting that visitors to the Friendship Houses be limited to care givers and essential persons only.

We are asking our residents to shelter in place as much as possible. Eliminate group gatherings and DO NOT visit with neighbors if they are not feeling well.

Please stay safe and be assured the Housing Commission staff are available to assist in any way we can.
